

Returns the current battery level of your device as a number between 0 and 1

Example

```
function OnStart()  
{  
  //Get battery level  
  var level = app.GetBatteryLevel()  
  //convert into percentage  
  var perlevel = level*100+"%"  
  var text = "The current battery level is "+perlevel  
  //Show through popup  
  app.ShowPopup(text)  
}
```
